

Administering an Assessment in Schoolnet Online

Step 1: Students will sign-in to PowerSchool with the username and password provided. The website for student access is <https://cms.powerschool.com/public>

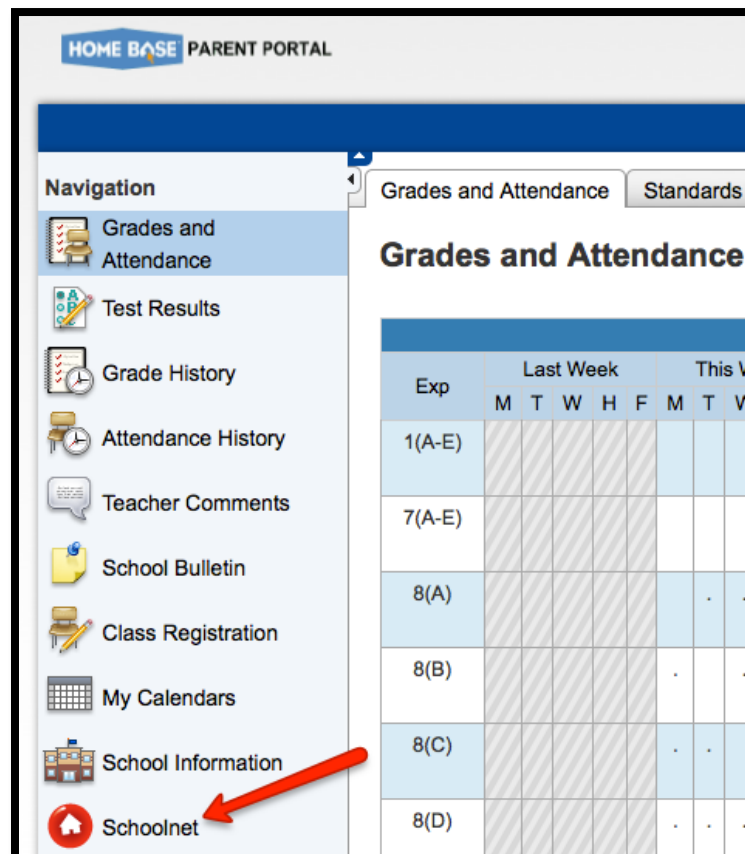

The image shows the PowerSchool login page. At the top, the "PowerSchool" logo is displayed in a large blue font. Below the logo, there is a "Parent Sign In" section with two input fields: "Username" and "Password". A link "Having trouble signing in?" is positioned below the password field. A blue "Sign In" button is located to the right of the password field. Below the sign-in section, there is a "Create an Account" section with a paragraph of text explaining the benefits of a parent account and a link "Learn more.". A blue "Create Account" button is located at the bottom right of this section.

Step 2: Students will select the *Schoolnet* button located on the lower left side of the screen.

The image shows the "HOME BASE PARENT PORTAL" navigation menu. The menu is located on the left side of the screen and contains several items with icons: "Grades and Attendance", "Test Results", "Grade History", "Attendance History", "Teacher Comments", "School Bulletin", "Class Registration", "My Calendars", "School Information", and "Schoolnet". A red arrow points to the "Schoolnet" item, which is located at the bottom of the menu. The "Schoolnet" item has a red house icon next to it. The main content area of the portal is visible on the right, showing "Grades and Attendance" and "Standards" tabs, and a table with columns for "Exp", "Last Week", and "This V".

Enter Passcode
Enter an online passcode from an available test to start.

This home page will allow students to view scores from assessments that have been administered and take an assessment that has been assigned.

Step 4: Students will be asked to provide the *Passcode* for the assessment. It is given to the teacher during the test finalization process. If a teacher needs to find the *Passcode*, he/she can look up the assessment in Schoolnet.

Online Passcode is required for a student to access this test:

Step 5: Students will start the testing session. Upon completion the assessment data is available for teacher review. Teachers can monitor the assessment, if desired, in Schoolnet to see how students are responding.
