

# Finding a Student Score on a Schoolnet Assessment

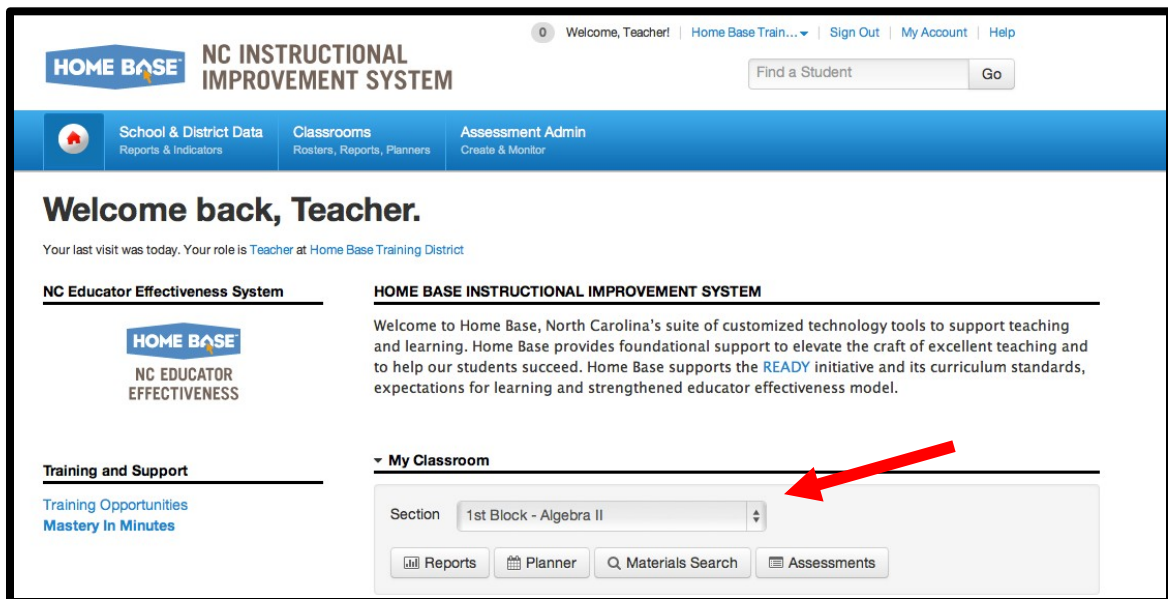

*Student scores can be obtained a few different ways within the platform. The following is an example of how to quickly access the information and determine student scores from any given assessment.*

**Step 1:** Sign in to PowerSchool with your username and password.

**Step 2:** Select Schoolnet, which is located on the bottom, left side of the screen.

**Step 3:** The new screen that opens should display the teachers' name and classroom sections/courses.

**Step 4:** Selecting the section/course will refresh the page and display section results.
